

# *The Finale Week @ Camp Fremont*

*Summer's End, Week VI at Camp Fremont.*

**Monday** we geared up for a Sports-arama Day of Flag Football, Basketball on our new court, and a killer group game of Kickball.

**Tuesday** we celebrated Multi-Cultural Day with an African and Italian flair. Annegret of Portland, Maine visited, treating us to a rhythmic and energetic African Drum presentation. That afternoon, Chef Matt from Fremont Pizzeria tantalized our taste-buds with his creative cuisine. Ask the kids how they like squash now!!!

Off to the wild we went on **Wednesday**. Our field trip took us to Maine's York's Wild Kingdom where we played with the animals and frolicked on the rides. Thanks to our adventuresome chaperones.

**Thursday** we wound down our week creating our yearly Camp Fremont Summer Memories Scrapbook. We also recycled our worm swamp with a game of mud toss. Hmmm, who came up with that one?!

**Friday's** finale we ventured to Exeter's Swasey Park for lunch and took a cool trip to the Exeter Rinks again for an afternoon of skating.

## *Parents:*

Thank you all for a thrilling, enjoyable, exhausting, but fulfilling summer. The Counseling Crew and I look forward to next year's season that promises to be diverse, energetic, and electrifying.
